## EXPERIENCE

<b>Web Developer</b> USES Inspiration Pvt. Ltd · Internship	Sep 2025 - Nov 2025 <i>Mumbai, Maharashtra, India · On-site</i>
<b>Web Developer</b> Rajni Tech Foundation · Internship	Jul 2025 - Sep 2025 <i>Gurugram, Haryana, India · Remote</i>

- Contributed to frontend development and creation of responsive, user-friendly web interfaces using React.js, JavaScript, HTML, CSS, and WordPress.
- Enhanced practical skills by working on real-world projects, collaborating with teams, and gaining hands-on experience in the full web development lifecycle.

- Developed and maintained frontend features using modern web technologies, ensuring responsive design and seamless user experience.
- Collaborated with backend and database teams, leading a project to manage tasks, guide team members, and ensure successful and timely delivery.

## PROJECTS

**AI-Travel-Guide.** Developed an AI-powered Travel Guide using React.js that provides real-time destination suggestions and personalized itineraries based on user queries. Integrated AI APIs to deliver accurate travel insights and enhance user interaction. Built a responsive and intuitive interface with optimized components for smooth performance across all devices. ([Link](#))

**HR-Consultant-Services.** Developed a fully responsive HR Consultancy website using HTML, CSS, and JavaScript, featuring interactive pages for careers, services, and contact. Integrated a functional job application form with Formspree for real-time submissions. Designed a modern, user-friendly UI with smooth navigation and animations. ([Link](#))

**CodeNexIn.** Designed and developed the frontend UI using JavaScript, HTML, CSS, and Bootstrap to deliver a responsive and user-friendly experience. Collaborated with the team through Git/GitHub for version control, code reviews, and smooth project integration. Contributed to assigned modules and coordinated with peers to ensure timely and seamless project delivery. ([Link](#))

**Contact-App.** Developed a contact management system using Node.js, Express, MongoDB, and Handlebars to manage user data efficiently. Implemented complete CRUD operations with Mongoose, ensuring proper data validation and structured database handling. Built secure Express routes and handled server-side logic to deliver smooth and reliable full-stack functionality.

## CERTIFICATION

---

- Web developer- USES Inspiration Pvt. Ltd
- Web developer- Rajni Tech Foundation (RTF)
- MERN Full Stack Developer – JSpiders, Bengaluru (2024).

## ACCOMPLISHMENTS

---

- Actively participated in team projects using Git for version control, ensuring smooth collaboration and code management.
